# ABOUT US

Gulf Supreme Trading Company is a trusted provider of high-quality industrial tools, equipment, and engineering solutions, serving a wide range of industries including oil & gas, construction, manufacturing, power, and infrastructure. With a strong commitment to reliability, safety, and performance, we deliver products and services that meet the highest international standards.

Our portfolio features globally recognized brands specializing in bolting, torque and tensioning, lifting, hydraulic solutions, industrial tooling, and safety equipment. Backed by a knowledgeable team and a customer-centric approach, we ensure that every solution we offer is tailored to meet the specific needs of our clients.

At Gulf Supreme, we go beyond supply we provide value-added services including technical support, calibration, maintenance, and after-sales service, ensuring optimal performance and long-term reliability of equipment.

Driven by excellence and integrity, Gulf Supreme Trading Company continues to build strong partnerships and deliver innovative solutions that support the success of our customers across the region

Precision Tools For All Industries

Premium Torque Wrenches, Torque Multipliers, Torque Testers

**RenQuip**

Reliable Flange Management System

## Flange Aligners, Flange Spreaders and Wedges

Powerful Air Tools for Industrial Performance.

## Industrial Pneumatic Tools

**TOKU**

Engineered for Hazardous  
Industrial Environments

## ATEX Air Hoists

## Industrial Cutters, Jacking and Skidding System from Netherlands

Hydraulic Power Solutions  
You Can Trust

Hydraulic Torque Wrenches, Lifting Cylinder Jacks and Pumps

ataKarnasch® Precision Cutting and Tooling Technology

Magnetic Drilling Machine, Air tools and Carbide Burrs

Made for Professionals

## Reliable Hand Tools & Tool Trolleys

Air Tools Built for Hazardous Operations

## ATEX Certified Cutting Saws and Air Tools

The Quick Connect Solution Provider

## High Pressure Fittings, Hoses & Manifold

**tensionpro**

The Bolt Tensioner Experts

## Bolt Tensioners & Pumps

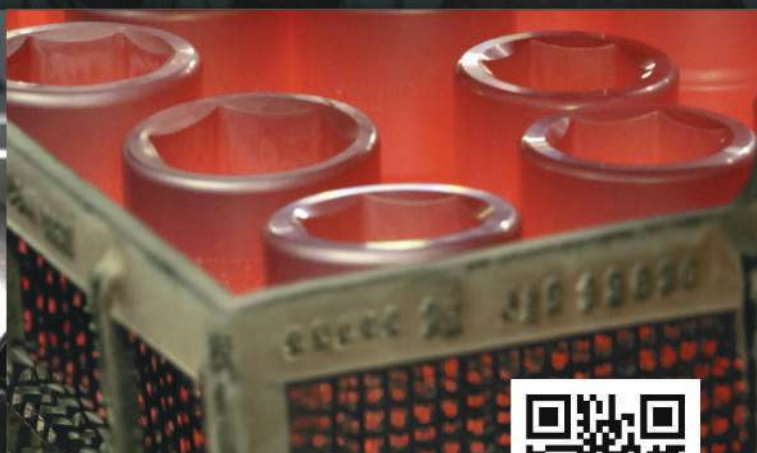

**vigil**  
anti slip

Safety You Can Stand On

**momento**

Sockets for Extreme Torque

## Strategic Procurement & Global Sourcing

We transform complex international procurement into a streamlined, localized advantage. By leveraging our global manufacturer network, we ensure you receive the right equipment, fully certified and ready for deployment.

**Technical Spec Matching:** Our engineers verify that every item meets API, ASME, and client-specific standards.

**Compliance Management:** We handle all essential documentation, including Mill Test Certificates (MTCs) and Certificates of Conformance (CoC).

**Vetted Supplier Access:** Direct channels to world-class brands such as BVA, Norbar, TensionPro and Holmatro.

## Technical Services & Asset Integrity

Gulf Supreme operates local service centers in the Eastern Province to provide the technical support necessary to maintain your equipment's certification and operational safety.

**Calibration & Load Testing:** Certified verification for torque tools, pressure instruments, and heavy lifting gear to ensure absolute precision.

**On-Site In-Situ Machining:** We bring workshop-grade precision to your site, performing flange facing and pipe cutting to repair assets where they sit.

**Factory-Trained Technicians:** OEM-certified experts ensure all maintenance and repairs are conducted according to manufacturer standards.

## Equipment Rental Solutions

Maximize your operational flexibility during shutdowns, turnarounds, and short-term projects. Our rental fleet provides access to specialized, certified tools without the need for significant capital expenditure.

**Diverse Rental Fleet:** Specialized bolting tools, skidding systems, lifting gear, and machining equipment.

**Ready for Deployment:** All rental units are meticulously maintained, calibrated, and certified before reaching your site.

**Flexible Terms:** Short-term and long-term rental packages designed to align with your project timelines.
